IN LIVING COLOR

Key West artist Debra Yates, right, who has fashioned installations for Neiman Marcus, the Key West ferry terminal and Key West International Airport, creates rhythmic compositions with a strong sense of color, texture and shape. Exhibited at Lucky Street Gallery in Key West, Yates' bright collages combine bold patterns, strong lines and vibrant layers of color. For more information on the work of Debra Yates, call 305/304-8965.
